**FONA INTERNATIONAL INC. ANNOUNCES ORGANIC CERTIFIED STATUS**

**GENEVA, ILLINOIS, September 11, 2007** – FONA International Inc., creator and manufacturer of flavors and flavoring ingredients for the world’s leading food, beverage and nutraceutical companies, is pleased to announce that they were named Certified Organic by Quality Certification Services [QCS], effective September 6, 2007.

Quality Certification Services is a USDA National Organic Program [NOP] and ISO-65 compliant organic certification program.

FONA also meets Organic suitable, Halal, Kosher and All-Natural requirements. For information about flavors and meeting any of these regulatory designations, we invite customers to contact our sales service department at 630.578.8600.

**About FONA International, Inc.**

Founded in 1987, FONA International creates and manufactures flavors for some of the largest food, beverage, and nutraceutical companies in the world. It offers flavor solutions for the Confection, Sweet, Culinary, and Beverage market segments through its state-of-the-art, 23-acre campus located in Geneva, IL. FONA International has established a reputation as the forward thinking, independent solution provider in the very competitive flavor industry.

For additional information about FONA International, please contact Sheila Ray at 630.578.8432 or [sray@fona.com](mailto:sray@fona.com).
